### ABOUT OUR AFTERNOON PROGRAMS

The Afternoon Programs at the Waldorf School of Garden City are designed for students of all ages and are led by experienced Waldorf teachers. For the youngest children, the program creates a warm, home-like atmosphere. For older students, a quiet space to complete homework and receive guidance is provided as well as supervised recreation time. ## Extended Day Programs

3:00 pm - 6:00 pm

### Nursery - Grade 3

After a long school day, our goal is to provide a nurturing and home-like atmosphere for our Extended Day students. Children in nursery through 1st grade gather in one of the mixed-age kindergarten classrooms, while the second and third graders gather in the library. The program includes both indoor and outdoor play, as weather permits. A healthy mid-afternoon snack is provided.

- \$12 per hour, \$6 for additional siblings

### Homework Club Grades 4 - 8

After a nutritious snack, and maybe even a bit of physical activity, students in the Homework Club work quietly in the Library. Assistance is provided by teachers, as well as selected college and high school students, as needed. Children without assignments, or who have completed their work, are supervised during indoor and outdoor play, which sometimes includes cheering on the Waldorf sports teams!

- \$12 per hour, \$6 for additional siblings

Hourly fees vary depending upon the number of students being tutored, as well as the level of skill offered by the tutor.

### High School Student Supervision
