

ABOUT OUR PROGRAMS

The Afternoon Care Programs at The Waldorf School of Garden City are designed for students of all ages. For the youngest, the Early Childhood Afternoon Care Program creates a warm, home-like atmosphere. Grades 1-8 spend time outdoors, engage in a guided activity, and have a quiet space for homework, projects, reading, and board games. High School students are provided a quiet room to complete homework. In addition, parents may arrange for their children to receive individual tutoring services.
